Hello,

The following violations were issued as Town Board hearing notices.

14 Blue Note Ln

The violation stems from a complaint made in July 2025 by Gate Hill Day Camp regarding trash and rubbish from the property's dumpster spilling onto their property. The homeowner has been unresponsive and unreachable.

83 Tomkins

The violation stems from reoccurring property maintenance complaints in 2025 and 2026 regarding improper trash disposal, placing trash out on non-collection days, and allowing trash and rubbish to remain on the property for several days/weeks.

1 Bender

The violation stems from recurring property maintenance complaints in 2025 and 2026, during which large items were repeatedly left at the curb for extended periods and took days/weeks to be removed.

Please feel free to contact me if you have any questions.

Thank you,
